

DUNDLOD PUBLIC SCHOOL

(A Group of CBSE Affiliated Sr. Sec., Co-educational, Residential Cum Day Schools)

“ Individual focus...
International vision...”

Schools at a Glance

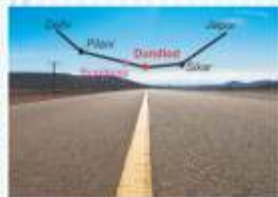

Both Schools are English Medium, Sr. Sec., Co-Educational, Residential-Cum-Day Schools, affiliated to CBSE, ISO certified institutions. These schools are managed by Dundlod Shikshan Sansthan, Dundlod.

DUNDLOD SCHOOL (NURSERY TO XII)

GEOGRAPHICAL LOCATION

Dundlod school campus sprawls over 18 acres of land. The school is located on the top of Dundlod Sand Hill Station in Shekhawati Region on the Jaipur-Pilani Road near Nawalgarh in Jhunjhunu district in Rajasthan. Dundlod, the heritage place, is connected to various parts of the country by roads and by railways. It is 3 hours journey from Jaipur, 2 hours from Pilani & 6 hours from Delhi. The nearest airport is Sanganer, Jaipur.

JHUNJHUNU SCHOOL (NURSERY TO XII)

GEOGRAPHICAL LOCATION

The imposing building of the Jhunjhunu school is located at Mandawa Road, Sitsar, Jhunjhunu in an open and pollution free area well equipped with sandpit, swings, aquariums, gardens & lawns. The school is easily accessible as it is next to the city railway station and bus stand. It is 4 hours journey from Jaipur, an hour from Pilani & 5 hours from Delhi. The nearest airport is Sanganer, Jaipur.

AIMS & OBJECTIVES :

The schools are dedicated to prepare conscientious and responsible citizen with a sense of integrity and honesty who will be imbued with a spirit of adventure, exploration, research and creation. The schools aim at imparting meaningful education and help the students in developing scientific temper, modern outlook and love for the motherland, its

culture, heritage and traditions. The medium of instruction, right from the beginning, is English. English and Hindi languages are taught from Pre-Primary classes. Third language Sanskrit is taught from class 6th onwards.

COURSES OF STUDY :

Presently the schools are running four sections along with two vocational courses.

- (A) Pre-Primary Section (Nursery to UKG)
- (B) Primary Section (I to V)
- (C) Secondary Section (VI to X)
- (D) Senior Secondary Section (XI & XII)

Vocational Courses after 10th :

- (i) Financial Marketing Management
- (ii) Healthcare Sciences

(A) Pre-Primary Section

Pre-Primary Section consists of three classes viz. Nursery, L.K.G. and U.K.G. with age group 3+, 4+ and 5+ respectively. This division of TINY TOTS is placed under the responsibility & able guidance of competent and specially trained teachers to ensure effective functioning. The children are nurtured like the delicate flowers. The method of teaching incorporates Play-way, Kindergarten, Montessori and Gandhiji's Moral Teachings. The children are encouraged to develop an all round personality through singing, dancing, painting, reading, writing and exploring the environment. A spacious playground, park, mini-aquarium, toys library and the audio-visual teaching aids are set up to keep the children in good humour and to attract their attention and to make them more curious and attentive.

(B) Primary Section

Primary classes are from I to V. Apart from the major subjects like English, Hindi, Maths, General Science & Social Science, emphasis is given on Computer Science, Health & Physical Education, Art & Craft, Music & Dance, G.K. & Value Education. Needless to say schools want to cultivate Discipline, Manners & Etiquettes in students

as well. Earnest efforts are made to enrich student's vocabulary and teach them how to talk about a language.

(C) Secondary Section

Our Secondary Section comprises classes VI to X which follows CCE system. The compulsory subjects are English, Hindi, Maths, General Science, Social Science, Sanskrit and optional subjects are Computer Science, Health & Physical Education, Art & Craft, Music, G.K. & Value Education. In the new era of globalised modern education, competition is tough for every exam. Hence, the need arises for an early beginning and clear insight into one's futuristic plans. Thus our devoted teachers make the students more responsible and career conscious at an early stage of life, the strong concept building starts from the classes VI onwards.

(D) Senior Secondary Section

In Senior Secondary Section, there are two faculties i.e. Science & Commerce, apart from two job oriented vocational courses. This section strives hard to satisfy inquisitiveness of the students and prepare the students to meet the challenges of life and march ahead with confidence. Furthermore, it equips them with a passion for excellence and determination to meet the future challenge.

Subjects of Science Stream:

English Core, Physics, Chemistry are compulsory. Mathematics, Biology, Computer Science, Informatics Practices, Biotechnology & Physical Education are offered as optional subjects.

Subjects of Commerce Stream:

English Core, Accountancy, Business Studies are compulsory. Economics, Informatics Practices, Computer Science, Mathematics & Physical Education are offered as optional subjects.

Job Oriented Vocational Courses:

1. **FINANCIAL MARKETING MANAGEMENT (FMM):** This course helps students get employment in Financial Markets, Banking & Insurance Sectors, Commodity Market, BPOs & Call Centres. One can continue higher studies as well after passing +2 as the course has been recognised for the admission to various under graduate courses by different universities.

SALIENT FEATURES :

1. In each classroom, close circuit camera is installed to watch classroom activities.
2. Most modern & innovative methods of teaching.
3. Use of Audio-Visual teaching aids like tape recorder, overhead projectors, slide projector, computer, mini-theatre etc. is emphasized at a large extent.
4. Well equipped Science Labs (Physics, Chemistry, Biology, Biotechnology & Maths) and an Ultra Modern Computer Lab with broadband facility.
5. A spacious and Centrally-Air-Cooled hostel for boys at Dundlod.
6. Teacher student ratio is 1:25.
7. Meaningful personality development classes are run.
8. Teachers are from all over the country who are highly qualified, dedicated, innovative & committed to their profession. Mandatory workshops and seminars on teaching methodology are conducted to keep the teachers posted.
9. The Computerised library contains around 5000 volumes of books and encyclopedia and a large number of Indian and Foreign magazines and journals.
10. A well planned wing for Pre-Primary Section has been constructed with beautiful garden, toy house, mini-fish-aquarium, Audio-Visual room and Music room.
11. Well qualified instructors provide regular coaching to students in Athletics, Table Tennis, Lawn Tennis, Basketball, Badminton, Football, Volleyball, Hockey, Cricket, Boxing, Judo Karate, Taekwondo, Gymnastics, Horse Riding & Swimming Pool.
12. Language lab well equipped with lingua phones and audio visual aids, facilitates the development of good communication skills and teach students correct pronunciation and diction.
13. Adopting smart class is another milestone that schools can boast of. This is a big leap forward where the complex becomes simple & fascinating, it illuminates abstract & difficult concepts with liquid clarity bridges learning gaps and helps both teachers and students realise their true potential. These classes have been running smoothly for the last three years.

CO-SCHOLASTIC ACTIVITIES/AREAS

To have all round development of a child, the schools provide tremendous opportunities to each individual child to show his/her profound talent in the games & sports, cultural & literary activities.

1. Health & Physical Education: The scheme of physical education is so planned as to ensure the maximum and manifold development of the individuality of the child, enabling him/her to attain mental soundness, emotional stability, physical maturity and moral values. Games and sports are organized in such a way as to ensure maximum participation by students at the same time. Well-qualified instructors provide regular coaching to students in Athletics, Judo, Taekwondo, Gymnastics, Yoga, Skating, swimming and Horse Riding as well.

2. Cultural & Literary Activities: Cultural & literary activities develop the aesthetic beauty in the personality of the students. Schools provide profound opportunities to each individual child to come up on the stage through their various cultural and literary activities like debate, dramatics, elocution, extempore speech, Western & Indian solo and group song and dance, Western instrumental music etc. The students display their cultural & literary taste on Annual Function apart from CCAs on every Saturday.

A. Music Department: All sorts of instruments like Harmonium, Tabla, Dholak, Guitar, Synthesizer, Casio, Marques adorn the Music Room. Adept instructors from Music rich states have been appointed to impart music education.

B. Art & Craft Department: As part of the Art Education, students study Commercial Art, Painting, Models, Sculpture etc.

3. C.C.A: Every Saturday in the last 2 periods, all the students of Red, Blue, Yellow and Green houses assemble in the School Auditorium and show their variety of talent. 1st, 2nd & 3rd rankers of these competitions are felicitated every Monday in school morning assembly.

4. Educational Tour: To give first hand knowledge to the students, schools manage different types of tours.

(a) Short Tour: Near about 10 short tours in a year to Railway Station, Hospitals, Banks, Post Offices, BSNL, Press, Museum, Doordarshan Kendra etc. are arranged for the students to see the practical working in these organizations to meet the real pragmatic challenges of life.

(b) One Day Tour: One day tour is arranged for the students to be face-to-face with the nature to learn & appreciate the natural beauty to develop their aesthetic quality.

(c) Long Tour: It is mainly arranged during Dussehra vacation to some other state to gain the knowledge of local topography and also understand the tradition & culture of the people of that particular place.

EXAMINATION & PROMOTION :

Schools have a system of continuous & comprehensive evaluation. There are Weekly Tests; Unit Tests, Term Exams, Periodicals, Formative Assessments & Summative Assessments. The promotion to the next class depends on the cumulative academic achievements of the students at the end of the academic session.

SCHOOL SCHOLARSHIPS & OTHER ACCOLADES :

- A. Best Student Award:** The Prizes & certificates will be given away to the students for obtaining the highest percentage in their respective class groups:

- National Sports Award ₹ 5000/-

RESIDENTIAL SYSTEM :

A. Hostel : There are two hostel blocks for boys in the school premises. The first one is for Classes I to V and second one is for classes VI to XII. Hostel is centrally air-cooled and spacious. It has been designed meticulously to fulfil the challenging requirements of the children of all age groups. It includes separate dormitories for junior students and rooms for senior students.

The junior dormitories are adequately spacious with attached wash rooms, changing rooms and toilets. Each child is provided with separate bed, study table, almirah etc. Osmosis Water Purification System with water cooler has also been made available.

B. Mess: Most hygienic mess, situated in the campus, serves pure wholesome food. Four meals a day include breakfast with milk, lunch, evening snacks with milk, dinner and night milk. We feel proud in serving 100% organic food. Vegetables, pulses and wheat are organically grown and are free from pesticides and chemicals.

C. Games & Gymnastics: The hostel is equipped with the modern facilities for games & gymnastics because it is well known fact that "Sound Mind dwells in Sound Body" hence more emphasis has been given on body building by doing regular exercises in Gym or Yoga or playing different games. Students enjoy themselves with Table-Tennis, Carom, Chess, Badminton, Basketball, Cricket, Football, Volleyball & Horse Riding.

D. Adventure Sports: Horse Riding, Skating and Rock Climbing are regular features for the hostel students.

E. Evening & Night Classes: All the boarders have been divided class wise for evening and night classes and all the necessary subjects are taught. One special group has been kept for weak students. All these students are taught separately by residential teachers for two and half hours daily in the evening class and finally homework & self study is done under supervision of the residential teachers in night classes.

F. Recreation: The students watch TV news to keep themselves updated and to know what is happening in the world around them. They also enjoy comedy serials for light recreation for a limited time. Students are motivated to watch some message giving serials or movies on Saturday night. Every Sunday night brings an opportunity for boarders to exhibit their co-curricular talent.
